**Show Schedule:** Next will be the ANA World's Fair of Money, Milwaukee WI, August 8-12, booth 1228, both Steve and Joe will attend. Joe will attend the Hong Kong Coin Show Aug 31-Sept 2 but will not have a table there.

**Please note that color photos of many of the coins on this price list not photographed can be found on our website:**  
[www.stevealbum.com](http://www.stevealbum.com)

**Commentary:** As you may have already noticed, this is our largest non-photo list in more than a decade. There is a full page of just Ilkhanid coins for example. Doug Nicol has been helping us work up many of the less expensive coins. You can always spot the coins Doug has worked on as they are 6 digit numbers in the 800000 range. I am working on phasing out the printed copies of the non-photos lists by the end of the year. I would like to replace them with selections of newly worked up stock that will be posted on the website every two weeks or once a month, on a fixed date and time. Those of you who do not have internet access can still request a printed copy. I would also like to upload PDF versions of each list that will be posted right next to the 'live' version that could be downloaded and printed at home for your library. Neither Steve nor I are the most capable computer people so your patience with upcoming changes will be appreciated. Photo lists will continue to be produced for the indefinite future and hopefully they we continue to improve in quality over the coming years.

Another change that is in the works is to have our entire inventory up on our site and searchable by the end of the year as well. This way, one could just type in Fatimid, then gold, and find all of our Fatimid gold coins that we show being in stock. One could also search by country, dynasty, catalog number or even mint name. Any input you have is welcomed.

We would greatly appreciate if you could please give your full name (or your business name if invoiced as such) with all orders by email, phone, snailmail, fax, etc. If you give only your first name it may delay the filling of your order as we have to search our database for the correct person.
