GROUP LOTS

Starter Lots: Nice coins, representative of the series, intended for novice or dealer. Retail of each lot about \$160-180 for average grade coins, \$140-160 for higher grade coins, no duplicates, no junk, all coins identified in envelopes (unless otherwise requested). You may specify any area, grade range, etc., and we will try our best to fill your needs. These lots are especially tailored for collectors who want a general representation of a series they are just starting to collect, allowing them to obtain some of the more common coins at a discounted price. This month's specials:

E1. Sasanian drachms	E2. Sultans of Delhi
E3. Samanid dirhams	E4. Afsharids of Iran
E5. 19th century Morocco	E6. British India before 1835
E7. Durrani and/or Barakzai	E8. Sikh rupees

E99. Available as triple size only: Ilkhan silver coins, good selection, many higher grades, due to fortunate purchases.

Each lot, NET	\$125
Triple size lot, still all different, retail three times as much, larger discount	\$340
Grab bag, miscellaneous mostly cheaper Oriental coins, per lot	\$25
Five grab bags, NET	\$115

(In some cases, I can arrange similar lots, with modest duplication, at a better discount. Please inquire.) Extra postage charged on bulk lots.

From now on, I shall be cataloguing bulk lot and grab bag coins to the numbering system of my *Checklist of Popular Islamic Coins*. This will save time, and reduce the delay in preparing the lots. You will have to buy the book to decipher the numbering, but the price is just \$8. New customers will receive a complimentary copy with any "starter lot" purchase.

BOOKS FOR SALE (prices include postage on domestic orders)

We now have a booklist available for the asking. This will be an ongoing affair, thanks to the speed and convenience of my Macintosh Centris 650. Thus a nearly up-to-date list can be custom produced as requested. I hope to be able to update the list every couple of months or even more frequently. *The book list will only be distributed to those who request it.*

After many months of trial and tribulation, the first volume of the Tübingen *Sylloge Nummorum Arabicorum* is about to roll off the presses. Actually it is volume 6, Palestine, as the volumes will not be published in numerical order. Two other volumes, Damascus and Eastern Khorasan, are currently in production. The volumes will retain the old large format of the Greek *sylloge* volumes. The entire set will comprise close to, if not, forty volumes, which are scheduled to appear at irregular intervals over the next 20-30 years, though it is

hoped that new imaging technologies will help speed up the frequency of future volumes. There were many problems in the production of this volume, difficulties getting the proper contrast in the plates. The first printing had to be tossed into the rubbish bin, and a second attempt made. Copies are expected to be available in time for the ONS meeting on 23-24 April in Tübingen.

Now Available !!

Generic Islamic Silver: My popular "junk lot." Lot of 25 Islamic coins (no modern), identified \$90, unidentified \$72. I will try to avoid duplication as much as possible. Condition is average or below average, and some coins may be damaged. At these prices, postage is extra and special requests cannot be accepted. Delays may occur in processing orders. Checklist numbers will be used to save processing time. Some extra postage required on these lots.

Discount Schedule: Remaining coins from lists 104-105 are now available at 10% discount, except bullion-related items. Serious counteroffers for old stock may be considered.

Returns: Please return coins in their original envelopes, without folding them or writing on them (except to correct my mistakes), so I can return them to stock without writing up new ones. Thanks!

Want Lists: I accept want lists and keep them on file for 3 months, longer if you so request. It is important for me to work closely with my customers, and Doug and I shall try to meet all reasonable requests.

Attribution Service: The charge is \$2 per coin for basic identification, \$5 per coin for full cataloguing. However, I will identify up to five coins for each customer at no charge (except postage & insurance). This exemption is for collectors only, not for dealers. On all shipments, you pay postage & insurance and assume risk in transit. Turnaround time one to three weeks.

Show Schedule: My next appearance will be the Long Beach Coin & Stamp Expo, at the Long Beach Convention Center on 2-5 June 1994, usual hours. As in the past, I will be set up with Jim & Louise Anderson, under the name *World Treasure Trading*, table 491 (if I remember the number correctly). The following weekend I will be at the spring New York International, at the Sheraton New York (7th Ave. at 52nd Street), 10-12 June. I will not be set up, but walking the floor (good exercise!). I have not as yet committed myself to attending the ANA in August in Detroit.

Invoice number: Please be sure to mention the invoice number with all returns and payments, to assure proper credit and facilitate matters for us. Nobody enjoys paperwork.

COMMENTARY (6 April 1994) — Not much to say, as I am getting this list ready early, so that Doug will be able to post it while I am off galavanting about Europe. I will type a photo list later this week, which will be posted just after my return in May. I hope to return with lots of new purchases that will be offered on subsequent pricelists.
