Stephen Album  
**A Checklist of Popular Islamic Coins**  
 Santa Rosa, 1993.  
 64 pages, card covers, US Letter size.  
 This is expected to be the standard catalog of Islamic coin types for the foreseeable future. Over 3200 types listed, with rarities, dates of rulers, weight standards, etc. No photos in this inexpensive edition.  
**Price: \$8** (postpaid in US)

**Want Lists:** I accept want lists and keep them on file for 3 months, longer if you so request. It is important for me to work closely with my customers, and Doug and I will listen to all reasonable requests.

**Attribution Service:** The charge is \$2 per coin for basic identification, \$5 per coin for full cataloguing. However, I will identify up to five coins for each customer at no charge (except postage & insurance). This exemption is for collectors only, not for dealers. On all shipments, you pay postage & insurance and assume risk in transit. Turnaround time one to three weeks.

**Discount Schedule:** Remaining coins from lists 120-121 are now available at 10% discount, except bullion-related items. Serious counteroffers for old stock may be considered.

**Returns:** Please return coins in their original envelopes, without folding them or writing on them (except to correct my mistakes), so I can return them to stock without writing up new ones. Thanks! And please, no staples or tape, if at all possible.

**Show schedule:** At present, my plans still call for me to attend the Singapore coin show, 6-8 March 1996. Then comes the San Francisco International, 22-24 March, and Chicago, 29-31 March, a busy month! I will probably attend the Long Beach show at the end of May and the New York spring International 6-9 June.

**Invoice number:** Please be sure to mention the invoice number with all returns and payments, to assure proper credit and facilitate matters for us. Nobody enjoys paperwork.

**COMMENTARY** (4 March 1996) — As I am leaving for Singapore in the morning, no time for HOT AIR!!! Keep patient!
