- Want Lists:** I accept want lists and keep them on file for 3 months, longer if you so request. It is important for me to work closely with my customers, and Doug and I will listen to all reasonable requests.
- Attribution Service:** The charge is \$2 per coin for basic identification, \$5 per coin for full cataloguing. However, I will identify up to five coins for each customer at no charge (except postage & insurance). This exemption is for collectors only, not for dealers. On all shipments, you pay postage & insurance and assume risk in transit. Turnaround time one to three weeks.
- Discount Schedule:** Remaining coins from lists 125-126 are now available at 10% discount, except bullion-related items. Serious counteroffers for old stock will be considered.
- Returns:** Please return coins in their original envelopes, without folding them or writing on them (except to correct my mistakes), so I can return them to stock without writing up new ones. Thanks! And please, no staples or tape, if at all possible.
- Show schedule:** My next show will be the ANA in Denver, at the Denver Convention Center. I will be walking the floor on the 14th and 15th. I am still planning to attend Long Beach in September, and will surely be at Coinex in London in October.

- COMMENTARY** (25 July 1996) — Rush rush to the printer, so I've added more coins, and left little space for hot air. I just took a long weekend holiday in Seattle, lots of walking in the lush forests just adjacent to the city, some good food, and an energy recharge that lets me type this list quickly and expeditiously.
