- Want Lists:** I accept want lists and keep them on file for 3 months, longer if you so request. It is important for me to work closely with my customers, and Doug and I will listen to all reasonable requests.
- Attribution Service:** The charge is \$2 per coin for basic identification, \$5 per coin for full cataloguing. However, I will identify up to five coins for each customer at no charge (except postage & insurance). This exemption is for collectors only, not for dealers. On all shipments, you pay postage & insurance and assume risk in transit. Turnaround time one to three weeks.
- Discount Schedule:** Remaining coins from lists 127-129 are now available at 10% discount, except bullion-related items. Serious counteroffers for old stock will be considered.
- Returns:** Please return coins in their original envelopes, without folding them or writing on them (except to correct my mistakes), so I can return them to stock without writing up new ones. Thanks! And please, no staples or tape, if at all possible.
- Show schedule:** Same as in list #129.
- Invoice number:** Please be sure to mention the invoice number with all returns and payments, to assure proper credit and facilitate matters for us. Nobody enjoys paperwork.
- COMMENTARY** (28 September 1996) — This and the next list are hurriedly being prepared before my departure for Oxford, so no time for "hot air".
