Some books: (ALL PRICES INCLUDE POSTAGE IN US & CANADA—FOREIGN POSTAGE EXTRA)

➡➡➡ **REQUEST OUR NEW BOOK LIST!** While I am in Oxford, Doug will prepare a new booklist with everything in our stock. This list should be ready by

the time you receive this price list. **Please** request this list if you are interested!

GROUP LOTS

Starter Lots: Nice coins, representative of the series, intended for novice or dealer. Retail of each lot about \$160-180 for average grade coins, \$140-160 for higher grade coins, no duplicates, no junk, all coins identified in envelopes (unless otherwise requested). *You may specify any area, grade range, etc., and we will try our best to fill your needs.* These lots are especially tailored for collectors who want a general representation of a series they are just starting to collect, allowing them to obtain some of the more common coins at a discounted price. This month's specials:

- G1. Ilkhan silver
- G2. The mint of al-Andalus
- G3. Crown-size silver
- G4. Coins of Algiers
- G5. Qajar silver
- G6. 16th century Ottoman
- G7. Iranian civic coppers
- G8. Indian fractional rupees

Available as **triple** or **tenfold** size only:

- G97. Pre-Mongol Iranian dynasties.
- G98. Inexpensive gold coins of medieval Islam
- G99. Ephthalite & related coins in silver and bronze.

Regular lots, **\$125** each, triple size, **\$350**, and ten-fold size, **\$1150**. Deeper discount on larger sizes. Postage extra.

Patience, please. During my sojourn in Oxford, Doug will hold orders for these lots until my periodic visits here, or will wait for instructions from me. Some orders will thus be delayed several weeks.

Want Lists: I accept want lists and keep them on file for 6 months, longer if you so request. It is important for me to work closely with my customers, and Doug or I will listen to all reasonable requests.

Attribution Service: The charge is \$2 per coin for basic identification, \$5 per coin for full cataloguing. However, I will identify up to five coins for each customer at no charge (except postage & insurance). This exemption is for collectors only, not for dealers. On all shipments, you pay postage & insurance and assume risk in transit. Turnaround time one to three weeks, though during my absence at Oxford, some coins may have to wait until my return for processing. It is best to contact Doug first before sending coins.

Discount Schedule: Remaining coins from lists 138-140 are now available at 10% discount, except bullion-related items. Serious counteroffers for old stock will also be considered.

Returns: Please return coins in their original envelopes, without folding them or writing on them (except to correct my mistakes), so I can return them to stock without writing up new ones. Thanks! And please, no staples or tape, if at all possible.

Show schedule: My next shows will be the Cumberland show in London, at the Cumberland Hotel, Saturday, 8 November 1997, followed by New York International, 5-8 December. I will have a table (#2) at the latter.

Invoice number: Please be sure to mention the invoice number with all returns and payments, to assure proper credit and facilitate matters for us. Nobody enjoys paperwork.

COMMENTARY (4 October 1997) — For the next two years, our non-photo pricelists will be reduced to just six pages, with less about books, as we will have a separate book list, hopefully by the time you receive this list. I leave for Oxford in just two days, and will try to type one more price list before I leave, a process of 5-6 hours.

While I am away at Oxford, Doug will continue to come in at normal hours, 8:30AM-5PM Monday to Friday, though some Tuesdays, he will be here 7:30-4, as he volunteers to staff the local Family History Center on Tuesday evenings—and the drive to Sebastopol, just 12 miles, can be quite hellish at that hour. His son Josh, senior and honor student at Cardinal Newman High School, will house-sit for me, so if you reach an unfamiliar voice here, it is undoubtedly Josh.

Although I will later get a separate e-mail address at Oxford, you can always use album@sonic.net, as Doug will forward my e-mail to me daily. And don't forget, forwarding e-mail costs absolutely zero, providing, of course, that the forwarding address will accept the forwarded mail, sometimes a nasty glitch in internet communication.
