Regular lots, \$125 each, triple size, \$350, and ten-fold size, \$1150. Deeper discount on larger sizes. Postage extra.

Patience, please. While I am away in Oxford, Doug may hold orders for these lots until my periodic visits here, or will wait for instructions from me. Some orders will thus be delayed several weeks.

Want Lists: I accept want lists and keep them on file for 6 months, longer if you so request. It is important for me to work closely with my customers, and Doug or I will listen to all reasonable requests.

Attribution Service: The charge is \$2 per coin for basic identification, \$5 per coin for full cataloguing. However, I will identify up to five coins for each customer at no charge (except postage & insurance). This exemption is for collectors only, not for dealers. On all shipments, you pay postage & insurance and assume risk in transit. Turnaround time one to three weeks, though during my absence at Oxford, some coins may have to wait until my return for processing. It is best to contact Doug first before sending coins.

Discount Schedule: Remaining coins from lists 140-143 are now available at 10% discount, except bullion-related items. Serious counteroffers for old stock will also be considered.

Returns: Please return coins in their original envelopes, without folding them or writing on them (except to correct my mistakes), so I can return them to stock without writing up new ones. Thanks! And please, no staples or tape, if at all possible.

Show schedule: No changes since my list #143.

Invoice number: Please be sure to mention the invoice number with all returns and payments, to assure proper credit and facilitate matters for us. Nobody enjoys paperwork.

COMMENTARY (28 January 1997) — I shall be returning to Oxford on 7 February, barring unforeseen problems. My sojourn here in California has not been all that pleasant, with lots of work to do and serious problems dealing with my ageing mother. By now my sister and I have set things up so that I can in good conscience return to Oxford, knowing that she will at least be getting the minimal amount of care that she needs in order to continue living on her own. It's been tough, but I've managed through it after all.

And so far in January, here in Santa Rosa, we have had less than ten hours of sunshine all month. Just clouds & rain, more coming!
