➡➡➡ **REQUEST OUR BOOK LIST!** Still available but a lot shorter than three months ago, and it will be kept current as we buy and sell!

GROUP LOTS

Starter Lots: Nice coins, representative of the series, intended for novice or dealer. Retail of each lot about \$160-180 for average grade coins, \$140-160 for higher grade coins, no duplicates, no junk, all coins identified in envelopes (unless otherwise requested). *You may specify any area, grade range, etc., and we will try our best to fill your needs.* These lots are especially tailored for collectors who want a general representation of a series they are just starting to collect, allowing them to obtain some of the more common coins at a discounted price. This month's specials:

- L1. 19th century Iran silver
- L2. The mint of Lahore
- L3. Crown-size silver
- L4. Coins of Tunis pre-1891
- L5. Bengal sultanate silver
- L6. 15th century Ottoman
- L7. 14th century Iran
- L8. Indian state rupees

Available as **triple** or **tenfold** size only:

- L97. Coins of the Silk Road (8th-13th C)
- L98. Inexpensive Gold coins of medieval Islam
- L99. Medieval Yemen.

Regular lots, **\$125** each, triple size, **\$350**, and ten-fold size, **\$1150**. Deeper discount on larger sizes. Postage extra.

Patience, please. While I am away in Oxford, Doug may hold orders for these lots until my periodic visits here, or will wait for instructions from me. Some orders will thus be delayed several weeks.

Want Lists: I accept want lists and keep them on file for 6 months, longer if you so request. It is important for me to work closely with my customers, and Doug or I will listen to all reasonable requests.

Attribution Service: The charge is \$2 per coin for basic identification, \$5 per coin for full cataloguing. However, I will identify up to five coins for each customer at no charge (except postage & insurance). This exemption is for collectors only, not for dealers. On all shipments, you pay postage & insurance and assume risk in transit. Turnaround time one to three weeks, though during my absence at Oxford, some coins may have to wait until my return for processing. It is best to contact Doug first before sending coins.

Discount Schedule: Remaining coins from lists 140-143 are now available at 10% discount, except bullion-related items. Serious counteroffers for old stock will also be considered.

Returns: Please return coins in their original envelopes, without folding them or writing on them (except to correct my mistakes), so I can return them to stock without writing up new ones. Thanks! And please, no staples or tape, if at all possible.

Show schedule: I will be at the ANA in Portland, Oregon, beginning on 5 August at the Portland Convention Center. Then, who knows!

Invoice number: Please be sure to mention the invoice number with all returns and payments, to assure proper credit and facilitate matters for us. Nobody enjoys paperwork.

COMMENTARY (2 June 1998) — I am quickly knocking off a couple of pricelists before leaving here tomorrow, first for two days at Long Beach, then to attend a wedding in Amsterdam, then back to Oxford a week from today, as I am scheduled to teach next Wednesday morning. I've been here in California just ten days, but enough to take care of lots of business matters (paperwork, etc.), prepare additional pricelists, and do some wholesale deals to keep up the cash flow. I am really looking forward to the summer in England, though I will be back here roughly 20 July to 15 August.
