Regular lots, **\$125** each, triple size, **\$350**, and ten-fold size, **\$1150**. Deeper discount on larger sizes. Postage extra.

Patience, please. While I am away in Oxford, Doug may hold orders for these lots until my periodic visits here, or will wait for instructions from me. Some orders will thus be delayed several weeks.

Want Lists: I accept want lists and keep them on file for 6 months, longer if you so request. It is important for me to work closely with my customers, and Doug or I will listen to all reasonable requests.

Attribution Service: The charge is \$2 per coin for basic identification, \$5 per coin for full cataloguing. However, I will identify up to five coins for each customer at no charge (except postage & insurance). This exemption is for collectors only, not for dealers. On all shipments, you pay postage & insurance and assume risk in transit. Turnaround time one to three weeks, though during my absence at Oxford, some coins may have to wait until my return for processing. It is best to contact Doug first before sending coins.

Discount Schedule: Remaining coins from lists 145-147 are now available at 10% discount, except bullion-related items. Serious counteroffers for old stock will also be considered.

Returns: Please return coins in their original envelopes, without folding them or writing on them (except to correct my mistakes), so I can return them to stock without writing up new ones. Thanks! And please, no staples or tape, if at all possible.

Show schedule: I will be walking the floor at both the London Cumberland show on 5 September and Coinex, 9-10 October, also in London. Doug will run my table as the San Francisco show, 10-12 September. Then I'll be set up at the New York Int'l, 4-6 December.

Invoice number: Please be sure to mention the invoice number with all returns and payments, to assure proper credit and facilitate matters for us. Nobody enjoys paperwork.

COMMENTARY (23 August 1998) — I am quickly knocking off a couple of pricelists before leaving here tomorrow for Oxford, where I will stay until sometime in mid-December.
