**GROUP LOTS**

**Starter Lots:** Nice coins, representative of the series, intended for novice or dealer. Retail of each lot about \$160-180 for average grade coins, \$140-160 for higher grade coins, no duplicates, no junk, all coins identified in envelopes (unless otherwise requested). *You may specify any area, grade range, etc., and we will try our best to fill your needs.* These lots are especially tailored for collectors who want a general representation of a series they are just starting to collect, allowing them to obtain some of the more common coins at a discounted price. This month's specials:

M1. 20th century Iran silver	M2. The mint of Sivas
M3. Ancient India	M4. Rumseljuq silver
M5. Sikh rupees.	M6. Qara Qoyunlu + Aq Qoy.
M7. 14th century Iran	M8. Indian state copper

M99. Algiers under the Ottomans	

Regular lots, \$125 each, triple size, \$350, and ten-fold size, \$1150. Deeper discount on larger sizes. Postage extra.

**Patience**, please. While I am away in Oxford, Doug may hold orders for these lots until my periodic visits here, or will wait for instructions from me. Some orders will thus be delayed several weeks.

**Want Lists:** I accept want lists and keep them on file for 6 months, longer if you so request. It is important for me to work closely with my customers, and Doug or I will listen to all reasonable requests.

**Attribution Service:** The charge is \$2 per coin for basic identification, \$5 per coin for full cataloguing. However, I will identify up to five coins for each customer at no charge (except postage & insurance). This exemption is for collectors only, not for dealers. On all shipments, you pay postage & insurance and assume risk in transit. Turnaround time one to three weeks, though during my absence at Oxford, some coins may have to wait until my return for processing. It is best to contact Doug first before sending coins.

**Discount Schedule:** Remaining coins from lists 146-148 are now available at 10% discount, except bullion-related items. Serious counteroffers for old stock will also be considered.

**Returns:** Please return coins in their original envelopes, without folding them or writing on them (except to correct my mistakes), so I can return them to stock without writing up new ones. Thanks! And please, no staples or tape, if at all possible.

**Show schedule:** New York International, 1 World Trade Center, 4-6 December 1998. Then Chicago in March. I will be in California from 26 December until 24 January, then back here in Oxford.

**Invoice number:** Please be sure to mention the invoice number with all returns and payments, to assure proper credit and facilitate matters for us. Nobody enjoys paperwork.

**COMMENTARY** (27 September 1998) — This list is being prepared in Oxford and will not be posted until around the 20th of October, so don't be concerned about the September date in the heading. And please accept for my apologies for failing to correct the list number on the inside pages of #148. I realize that led to a modicum of confusion.

Doug is now moved into my house for the next year. Please try to limit business calls during office hours (8:30 AM-5 PM Pacific Time). Please continue to use fax and e-mail anytime, 24 hours a day, to contact us. Thank you for your understanding.
