BOOKS: REQUEST OUR UPDATED 1999 BOOK LIST! *****

GROUP LOTS

Starter Lots: No special categories this time. If you are looking for a particular area, we can arrange starter or wholesale lots of any available category—ask and see if available. These lots contain all different coins, no junk, all coins identified in envelopes (unless otherwise requested). Lots available in sizes \$50, \$100, \$200, \$400, \$700 and \$1000 (or larger). Average grade coins discounted 20-35%, higher grade coins 15-25%. This is a good opportunity to get a reasonable selection as a starter group. If you wish, we will send the coin identifications separate from the coins, so you can puzzle out how to match the one with the other. See lists 153 and 154 for additional information. Postage extra on all lots.

Patience, please. While I am away in Oxford, Doug may hold orders for these lots until my periodic visits here, or will wait for instructions from me. Some orders will thus be delayed several weeks.

Want Lists: I accept want lists and keep them on file for 6 months, longer if you so request. It is important for me to work closely with my customers, and Doug or I will listen to all reasonable requests.

Attribution Service: The charge is \$2 per coin for basic identification, \$5 per coin for full cataloguing. However, I will identify up to five coins for each customer at no charge (except postage & insurance). This exemption is for collectors only, not for dealers. On all shipments, you pay postage & insurance and assume risk in transit. Turnaround time one to three weeks, though during my absence at Oxford, some coins may have to wait until my return for processing. It is best to contact Doug first before sending coins.

Discount Schedule: Remaining coins from lists 152-154 are now available at 10% discount, except bullion-related items. Serious counteroffers for old stock will also be considered.

Returns: Please return coins in their original envelopes, without folding them or writing on them (except to correct my mistakes), so I can return them to stock without writing up new ones. Thanks! And please, no staples or tape, if at all possible.

Show schedule: San Francisco, 16-18 Sept 1999, at the Cathedral Hill Hotel (Doug & Alexander will man the booth). I will attend the Cumberland show, England, Cumberland Hotel, Saturday 11 Sept. Then of course, the New York International in December.

Invoice number: Please be sure to mention the invoice number with all returns and payments, to assure proper credit and facilitate matters for us. Nobody enjoys paperwork.

COMMENTARY (29 May 1999) — Not much to say, so I'll choose to be relatively silent and defer substantive commentary until after I return here full time in early October.
