Patience, please. While I am away in Oxford, Doug may hold orders for these lots until my periodic visits here, or will wait for instructions from me. Some orders will thus be delayed several weeks.

Want Lists: I accept want lists and keep them on file for 6 months, longer if you so request. It is important for me to work closely with my customers, and Doug or I will listen to all reasonable requests.

Attribution Service: The charge is \$2 per coin for basic identification, \$5 per coin for full cataloguing. However, I will identify up to five coins for each customer at no charge (except postage & insurance). This exemption is for collectors only, not for dealers. On all shipments, you pay postage & insurance and assume risk in transit. Turnaround time one to three weeks, though during my absence at Oxford, some coins may have to wait until my return for processing. It is best to contact Doug first before sending coins.

Discount Schedule: Remaining coins from lists 153-155 are now available at 10% discount, except bullion-related items. Serious counteroffers for old stock will also be considered.

Returns: Please return coins in their original envelopes, without folding them or writing on them (except to correct my mistakes), so I can return them to stock without writing up new ones. Thanks! And please, no staples or tape, if at all possible.

Show schedule: I will be attending the second Dubai auction on 13-14 November. Then the NY International Coin Fair, 3-5 December.

Invoice number: Please be sure to mention the invoice number with all returns and payments, to assure proper credit and facilitate matters for us. Nobody enjoys paperwork.

COMMENTARY (21 September 1999) — My sojourn at Oxford is nearing completion. Work on the two volumes has been steady. One is with the printers now (actually returned to us for a few corrections), the other in final stages of compilation. I'll be traveling this coming weekend to Leighton Buzzard to set the digital plates for the second volume, which we hope to have with the printers before I return to California on 17 October (yes, 11 days later than originally planned, so please let me rest and get over the jetlag till the 20th). I leave my lodgings at the end of the month and will stay with friends for two weeks in nearby Charlbury. Then back to Santa Rosa. More hot air with the next list!
