Want Lists: I accept want lists and keep them on file for 6 months, longer if you so request. I deem it important to work closely with my customers, and Alexander or I will listen to all reasonable requests.

Attribution Service: The charge is \$2 per coin for basic identification, \$5 per coin for full cataloguing. However, I will identify up to five coins for each customer at no charge (except postage & insurance). This exemption is for collectors only, not for dealers. On all shipments, you pay postage & insurance and assume risk in transit. Turnaround time should be one to three weeks – if it's been longer, remind us with an e-mail or phone call.

Discount Schedule: Remaining coins from lists 159-161 are now available at 10% discount, except bullion-related items. Serious counteroffers for old stock will also be considered.

Returns: Please return coins in their original envelopes, without folding them or writing on them (except to correct my mistakes), so I can return them to stock without writing up new ones. Thanks! And please, no staples or tape, if at all possible.

Invoice number: Please be sure to mention the invoice number with all returns and payments, to assure proper credit and facilitate matters for us. Nobody enjoys paperwork.

COMMENTARY (22 August 2000) — As we are rushing to get this to the printers this afternoon, we shall chill the hot air this time.

However, I would like to suggest that every serious collector of Islamic and South Asian coins with email access consider joining either the Islamic or South Asian Egroup or both. Their email addresses are <islamic_coins@egroups.com> for the Islamic group and <southasia-coins@egroups.com> for the South Asian group. Note that the Islamic group has an underscore before "coins" but the South Asian group an ordinary hyphen. One reason to join (it's FREE!) is to hear latest announcements of books, meetings, conferences, etc.
