GROUP LOTS

Starter Lots: Nice coins, representative of the series, intended for novice or dealer. Retail of each lot about \$160-180 for lower grade coins, \$140-160 for average to higher grade coins, no duplicates, no junk, all coins identified in envelopes (unless otherwise requested). *You may specify any area, grade range, etc., and we will try our best to fill your needs.* These lots are especially tailored for those who want a general representation of a series they are just starting to collect, allowing them to obtain some of the more common coins at a discounted price. This month's specials:

B3. Bengal sultanate	B4. AR dirhams of the Samanids
B5. Medieval Iran post 1260	B6. 20th century Egypt tokens

Regular lots, \$125 each, triple size, \$350, and ten-fold size, \$1150. Deeper discount on larger sizes. Postage extra, as necessary

SURPRISE BAGS (Grab-bags): Lots of common coins, mostly lower grades, very cheap, \$50 or \$100 lots. Let me know your area of interest and we can make up a lot. Usually less than 40% retail, often much cheaper. Larger quantities are also available, often at still cheaper prices. I have a large amount of "tired old stock", and am always keen to sell this material, as it is more than can ever fit on my regular pricelists.

Discount Schedule: Remaining coins from pricelists 167-169 are now available at 10% discount, except bullion-related items. Serious counter-offers for old stock will be considered.

Show Schedule: I shall be attending the Cumberland Hotel coin fair in London on Saturday, 23 June, and at least three shows in the US between September and the NY show in December.

Invoice number: Please be sure to mention the invoice number with all returns and payments, to assure proper credit and facilitate matters for us. Nobody enjoys paperwork.

NEW:

Luke Treadwell, **Buyid Coinage: A die corpus (322-445 A.H.)**, Ashmolean Museum Oxford 2001. Over 280 pages + 172 excellent plates, printed by Chameleon Press, London. It weighs nearly *five pounds!* Foreign postage is the name for two copies as for one copy, so I recommend that interested buyers outside the US team up with an order for two or more copies.

Price: \$100 (plus \$4 for USA postage, whatever for overseas shipment).

→→ **Also now in stock:** A reprint of Richard Plant's most useful book, *Arabic Coins and How to Read Them*. Highly recommended for collectors who want to take the leap and learn to read their coins –\$25 ppd in the US.

SORRY: Surface postage from the US to other countries was increased phenomenally on 7 January 2001, typically two to five times as expensive as just two years ago. As a result, postage will be added to all shipments outside the US, and the amount may be shocking. Fortunately, M-Bag rates for shipments weighing 11 pounds or more remain reasonable, both for air and surface, so I highly recommend that overseas book purchasers organize a larger shipment for themselves or for a group of friends.

WE HAVE UPDATED THE BOOK LIST TO REFLECT CURRENT STOCK- PLEASE FEEL FREE TO REQUEST A COPY!

COMMENTARY (4 May 2001) —

→→ Don't forget that most of my price lists will appear also at my current internet address, <http://stevealbum.virtualave.net>, which you may use whenever you wish.

→→ For expensive coins, roundly \$150 and higher, I can usually send scans, but only if your really need to see it.

IMPORTANT NEWS

From 6 May until 28 June and again from 8 July until some time around the middle of August I shall be in Oxford, working on my fourth volume of the *Syloge of Islamic Coins in the Ashmolean*, this one covering the coins of Islamic Spain and North Africa. During that time, business will be slow and there will be this list, to be followed by a photo list (#171) around the beginning of July.

Please send in your orders by **EMAIL**, by **FAX** or by **TRADITIONAL MAIL**, rather than by Telephone. The business will be run by my longtime friend, Tom Miller, who is best known for his knowledge of American coins, but has recently become one of the world's leading collectors of Parthian, Elymais and Seleukid copper coins. He will be here every Monday at normal business hours during my absence at the Ashmolean Museum, and will also come in from time to time in the evening. **Please do not telephone him here on Monday unless it is absolutely urgent.**

Please accept my apologies for any inconvenience. I will be back to normal business in mid-August and expect to have a full-time assistance joining me at that time. More on this later.
