It does cost me a small amount, but I do not intend to require the customer to cover this charge.

OVERSEAS ACCOUNTS:

Tübingen: Kreissparkasse Tübingen, BLZ 641 500 20, account n° 859581 (payment in Deutschmark only). If paying from **outside** Germany, kindly add DM10, as the bank now charges me that amount. Payments from within Germany need not add it.

SURPRISE BAGS (Grab-bags): Lots of common coins, mostly lower grades, very cheap, \$50 or \$100 lots. Let me know your area of interest and we can make up a lot. Usually 60% off retail, often much cheaper. Larger quantities are also available, often at still cheaper prices. I have a large amount of "tired old stock", and am always keen to sell this material, as it is more than can ever fit on my regular pricelists.

Discount Schedule: Remaining coins from pricelists 171-173 are now available at 10% discount, except bullion-related items. Serious counter-offers for old stock will be considered.

Show Schedule: We'll be set up at the Santa Clara, California, coin show, 15-18 November 2001 (open to the public 16-18 Nov.), at the Santa Clara Convention Center, 5001 Great America parkway. Next show is New York, 18-20 January 2002, at the Waldorf-Astoria Hotel, 49th Street & Park Avenue. I will from not attend Orlando, as it is just one week before NY. I'll be in Oxford, 4-21 December.

Invoice number: Please be sure to mention the invoice number with all returns and payments, to assure proper credit and facilitate matters for us. Nobody enjoys paperwork.

THE COINS OF THE INDIAN SULTANATES

by S. GORON & J.P. GOENKA

The long awaited thorough catalog of all the Indian Sultanates from the 12th to the 16th century. In 11 x 8.5" size, 564 pages, with over 3000 coins illustrated.

US price: \$79. International price: \$75 + postage.

NEW:

Luke Treadwell, **Buyid Coinage: A die corpus (322-445 A.H.)**, Ashmolean Museum Oxford 2001. Over 280 pages + 172 excellent plates, printed by Chameleon Press, London. It weighs nearly *five pounds!* Foreign postage is the name for two copies as for one copy, so I recommend that interested buyers outside the US team up with an order for two or more copies.

Price: \$100 (plus \$4 for USA postage, whatever required for overseas shipment)

Also now in stock: A reprint of Richard Plant's most useful book, *Arabic Coins and How to Read Them*. Highly recommended for collectors who want to take the leap and learn to read their coins — \$25 ppd in the US.

SORRY: Surface postage from the US to other countries was increased phenomenally on 7 January 2001, typically three to five times as expensive as just two years before. As a result, postage will be added to all shipments outside the US, and the amount may be shocking. Surface and air M-bags for 11 pounds or heavier shipments are still reasonable, so I advice foreign customers order together with their friends, 11 pounds (5 kilos) or heavier.

WE will soon update BOOK LIST once again to reflect our current stock; feel free to request a copy!

COMMENTARY (9 November 2001) — Business has been quite good. Joe and I are getting the business back to reality, and Joe has been superb in his work. He has prodded me to organize new and old stock, so that we can actually find something requested by a customer!

There is great news from New York. The annual coin show will take place at the Waldorf-Astoria Hotel, one week after the Orlando show, this year the 18th-20th of January. This locale and timing has been confirmed for years 2002-2006.
