Surprise Bags (Grab-bags): Lots of common coins, mostly lower grades, very cheap, \$50 or \$100 lots. Let me know your area of interest and we can make up a lot. Usually 60% off retail, often much cheaper. Larger quantities are also available, often at still cheaper prices. I have a large amount of "tired old stock", and am always keen to sell this material, as it is more than can ever fit on my regular pricelists.

Discount Schedule: Remaining coins from pricelists 176-178 are now available at 10% discount, except bullion-related items. Serious counteroffers for old stock will be considered.

Show Schedule: I anticipate attending the San Francisco Ancient show at the Cathedral Hill Hotel, on Friday the 10th of May. If you would like me to bring along some coins to show you, please contact us. Next show probably ANA in New York at the end of July.

COMMENTARY (April 26th 2002) — Once again, too much space for coins & books, so little room to blah-blah. I've been almost totally preoccupied with family necessities for the past two months, but these matters are now largely completed, so I'll have more time for business once again. And Joe has been really great: He reinstores me to a better mood whenever I get anxious or nervous.
