COMMENTARY: There are no more pop-up ads on our website which has also been redesigned---check it out.

This is our first list using digital photography. We sweltered for hours and hours trying to make the ghastly, complex software work, and at last succeeded, with Joe contributing about 99% of the labor (and suffering). If you have any comments or suggestions about this list, feel free to let us know, either positive and negative.

Discount Schedule: Remaining coins from pricelists 181-186 are now available at **10%** discount, except bullion-related items. Serious counter-offers for old stock will be considered.

Show Schedule: Next show is CICF in Chicago; April 25-27.
