COMMENTARY: On June 9, 2003 Hakim Hamidi passed away as result of a sudden heart attack. He was a knowledgeable numismatist, a fair and professional dealer, and friend to many of us in this close nit community. It was always a pleasure working with Hakim or just chatting with him at coin shows about numismatics or his native Afghanistan. He had a good heart and kind nature, traits not normally encountered in this business. He will be deeply missed. Donations in his memory can be sent to Help the Afghan Children (HTAC), 8603 Westwood Center Drive, Suite 230, Vienna, VA 22182, USA. On a lighter note, although we always enjoy hearing from all of our customers, it seems that poor Steve has been inundated with daily emails that seem to increase exponentially over time. It now takes several hours per day to read and answer all emails and often he just can't get to them all. We would kindly ask that you keep this in mind when sending electronic correspondence. Orders placed by email are preferred over other methods and are thus the exception.
