We just purchased a numismatic library from which we have selected just a few titles to list here. Kindly request a free copy of our updated book list for even more titles.

Surprise Lots: (Grab-bags), We are overstocked!. So, we're now selling groups of common coins, mostly lower grades. Let us know your general area of interest and we'll do our best to customize a lot for you.

 \$500 value lot, only...\$185 \$1,000 value lot, only...\$335

SURPRISE BAGS (Grab-bags): Lots of common coins, mostly lower grades, very cheap, \$50 or \$100 lots. Let me know your area of interest and we can make up a lot. Usually 60% off retail, often much cheaper. Larger quantities are also available, often at still cheaper prices. I have a large amount of "tired old stock", and am always keen to sell this material, as it is more than can ever fit on my regular pricelists.

Discount Schedule: Remaining coins from pricelists 185-189 are now available at 10% discount, except bullion-related items. Serious counteroffers for old stock will be considered.

Show Schedule: Our next shows will be Sacramento CA, at the convention center near downtown, 3-5 October then Baltimore 5-7-December. Steve intends to be at the Baldwin auction in London, 14-15 October.

COMMENTARY: I have received a payment of €215 to my Tübingen account, but there was no payer's name or invoice number. If this was you, please let us know. I cannot apply a payment to anyone's account unless they include their name with the payment (and if possible, the invoice number as well). Thanks!

This list has a rather different selection that we have had in recent months, for we have recently purchased several collections and accumulations. Look for Umayyad coppers, lots of modern coins (included an accumulation of silver commemoratives), a huge selection of Indian coins including a large selection of Mughal and Sultanate coins. This larger list is effectively a combined listing for what is left of August and the month of September. We will have a large photo list in the mail in early October with numerous items from our latest purchases.
