Surprise Bags: (Grab-bags): Lots of common coins, mostly lower grades, very cheap, \$50 or \$100 lots. Let me know your area of interest and we can make up a lot, usually 40% off retail, often much cheaper. Inquire about even larger lots at still cheaper prices.			
Discount Schedule: Remaining coins from pricelists 194-198 are now available at 10% discount, except bullion-related items. Serious counter-offers for old stock will be considered.			
Show Schedule: We will be attending the ANA annual convention in Pittsburgh, August 18-22, table #1519 on the 'Mint Mile'. It is likely that both of us will walk the bourse floor at the Long Beach Coin Show between September 9-12. We will also be set up at the Sacramento Coin Show, October 1-3.			
COMMENTARY: We have finally "bitten the bullet" and purchased a thoroughly modern computerised database system that will keep track of inventory, sales & purchases, invoicing, accounting, printing, etc., and a brand new website that we hope to have online by the 1 st of October. The new website will be "live", i.e., will list all current stock that is actually available for sale. Moreover, when someone asked what we have in stock for a specific category, we will be able to email or print out a listing of current stock. As soon as this system is in operation, we will be entering all new acquisitions directly into the database, but it will take years for us to catch up on all the accumulated old inventory, save what we sell off in large wholesale disposals. This is a long project, but the first effects should be visible before the end of 2004.			
Once the website is in operation, we shall welcome any comments or suggestions for improvement.
